

Product Safety Recall

British Paints Paint & Prime Interior Low Sheen White 4L SKU 61PM0143-4L

Sold at Bunnings Warehouse stores in Victoria and South Australia

Sold only from 25 September 2018 to 19 October 2018

Defect The cans may have a fine wire thread protruding from the top seam (see above photo)

Hazard If the can has a thread, a person trying to pull it off with a bare hand may receive a minor cut

What to do If there is no thread protruding at the top of the can, the product is not affected. If there is a protruding thread, the consumer should remove it wearing leather or lined thick rubber gloves, or by using a pair of pliers. Alternatively, consumers can return the product to the place of purchase for a refund or replacement.

Contact Consumers can call British Paints Customer Service on 13 25 25 or visit <http://www.britishpaints.com.au/> for more information.
