

Choosing

whites

Choosing whites made easy

1

Collect inspirational images from magazines and websites, build your colour scheme using the British Paints® colour booklets or visit britishpaints.com.au and britishpaints.co.nz

2

Test your whites choice with *British Paints* colour chips or sample pots. This is the best way to accurately confirm how the whites will look in your space.

3

Choose your gloss level:

MATT	Low light reflection for an elegant finish
LOW SHEEN	Suitable for living areas and bedrooms
SEMI GLOSS	Medium gloss level that withstands frequent cleaning
GLOSS	Use to emphasise door and window trims

4

Purchase your paint and handy tools from the paint aisle. Get started with helpful hints and tips at britishpaints.com.au and britishpaints.co.nz.

Cool whites are perfect for rooms that get a lot of natural sunlight.

White Disclosure

cool whites

Crisp and clean, cool whites help to enhance cooler tones like greys and charcoals. They also work well with bright colours to create a modern space.

Get started with your painting project

plan

1. Test your British Paints® paint colour with colour chips or sample pots.
2. Choose your gloss level.
3. Calculate amount of paint you need using the *British Paints* Paint calculator.

prep

1. Protect flooring and furniture with drop cloths.
2. Clean all surfaces from dust, oils and grease. Mask windows, door, trims and fittings with painter's tape.
3. Check the surface preparation requirements on can.

paint

1. Mix paint thoroughly with a broad flat stirrer.
2. Choose your painting method: **Brush** where your roller can't reach – around windows, doors, trims, fittings and corners. **Roll** paint in a large zigzag W pattern working in sections.
3. Apply 2 coats ensuring the first coat is completely dry. Check instructions on can.
